

IEP & LEARNING SUPPORTS CHECKLIST

Use this checklist to determine the accuracy of your child's IEP as it relates to learning, independence, and specialized instruction.

- Relevant goals match present levels of performance
- Inclusion with peers to maximum extent possible
- Instruction in the least restrictive environment
- Access to assistive technology for learning
- Supports for executive functioning skills
- Supports for social skills
- Allocations for specially designed instruction
- Accommodations that match the child's need
- Modifications that match the child's needs, if applicable
- Evidence of progress monitoring for skill deficits

IEP & LEARNING SUPPORTS CHECKLIST

- Supports for communication, if applicable
- Supports for self-regulation and sensory input
